

Fall ACS Meeting 2018, Boston MA  
August 19 – 23, 2018  
**Biological Chemistry Division (BIOL)**  
*Program Summary*

All sessions will take place in the Boston Convention & Exhibition Center  
in Rooms 153B and 153C

*Sunday August 19*

**Repligen Award for the Chemistry of Biological Processes (9:00 AM)**

Awardee: Michael Gelb (U. Washington)

Speakers: T. Scanlan (Oregon Health and Science U.), S.G. Withers (U. British Columbia), C. Gersbach (Duke Univ.)

**Early Career Investigators in Biological Chemistry (8:30 AM)**

**Chemical Approaches to Interrogate Cell Biology (1:30 PM)**

Symposium Organizer: Evan Miller (UC Berkeley)

**Debunking Myths of the Undruggable and Indistinguishable (1:30 PM)**

Symposium Organizer: Amanda Hargrove (Duke)

**Gordon Hammes Scholar Lectureship (4:35 PM)**

Awardee: Timothy Bumpus (Cornell)

**The Gordon Hammes ACS *Biochemistry* Lectureship (4:55 PM)**

Awardee: Vernon Schramm (Albert Einstein Coll. Med.)

**Hammes Award Reception (5:30 PM)**

**Current Topics (Evening poster session, 6:30 PM)**

*Monday August 20*

**Eli Lilly Award in Biological Chemistry (9:00 AM)**

Awardee: Bradley Pentelute (MIT)

Speakers: J. Cochran (Stanford), M. Shoulders (MIT), C. Wu (Dana Farber)

**Debunking Myths of the Undruggable and Indistinguishable (9 AM)**

Symposium Organizer: Amanda Hargrove (Duke)

**Graduate Student and Postdoctoral Fellow Symposium (1:30 PM)**

**Precision Genome Engineering (1:30 PM)**

Symposium Organizer: Amit Choudhary (Broad Inst.)

**Sci-Mix (8:00 PM)**

Fall ACS Meeting 2018, Boston MA  
August 19 – 23, 2018  
**Biological Chemistry Division (BIOL)**  
*Program Summary*

*Tuesday August 21*

**Pfizer Award in Enzyme Chemistry (8:45 AM)**

Awardee: Mohammad Seyedsayamdost (Princeton)

Speakers: J. Stubbe (MIT), L. Hedstrom (Brandeis), J. Clardy (Harvard Medical School)

**Chemical Immunomodulation (8:45 AM)**

Symposium Organizer: C. Woo (Harvard)

**Synthetic Chemical Biology (1:30 PM)**

Symposium Organizer: A. Chatterjee (Boston College)

**ACS Infectious Diseases Young Investigators Symposium (1:30 PM)**

Symposium Organizer: C. Aldrich (U. Minnesota)

**Current Topics (Evening poster session, 6:00 PM)**

*Wednesday August 22*

**Early Career Investigators (8:30 AM)**

**Mid-Career Investigators (9:00 AM)**

**Frontiers in Organofluorine Research for Biological Chemistry & Drug Discovery  
(1:30 PM)**

Symposium Organizers: R. Altman (Kansas U.) and W. Pomerantz (U. Minn.)

**Mid-Career Investigators (1:30 PM)**

*Thursday August 23*

**Graduate Student and Postdoctoral Fellow Symposium (8:30 AM)**

**Graduate Student and Postdoctoral Fellow Symposium (1:30 PM)**
